

The Montford Point Marine Association, Inc. is a nonprofit Veteran 501(c) 3 organization, established to perpetuate the legacy of the first African Americans who entered the United States Marine Corps from 1942 to 1949 at Montford Point Camp, Jacksonville, North Carolina.

Membership in the Association is open to veterans and active members of all branches of the United States Armed Forces regardless of gender, religion, race, creed, national origin, or age.

The purpose of the Association is to support educational assistance, veteran programs, and promotion of community services. The Association works to improve the social conditions of our veterans, local families, youth and the growing population of senior citizens.

Throughout the year, the Association is busy with activities creating camaraderie, goodwill, and esprit de corps, both locally and nationally. The activities vary from chapter to chapter and include, but are not limited to youth programs, visits to various organizations and veteran support agencies, as well as delivering food and much needed items to the sick and shut-in during times of distress.

The Montford Point Marine Association, Inc. also consists of the Ladies Auxiliary. Membership in the Ladies Auxiliary is open to wives, daughters, sisters, and mothers of members or former members of the United States Armed Forces.

A portion of the proceeds will be donated to the erecting of the National Monument Project honoring the Montford Point Marines visit:
